

## **Blockbusters of the Old Testament: Stepping Out, Genesis 12-15**

Nothing is more exciting in a blockbuster than when the hero is faced with an impossible situation... and incredibly it works out! We delight when that happens. But when we are faced with impossible circumstances... we normally conclude it's impossible! Is it? Jesus told us, "... all things are possible with God." (Mark 10:27). Let's admit it, sometimes in life that is really hard to accept. At such times, the Lord is challenging us to believe Him, and to trust Him. It always takes faith to step out and follow the Lord.

In our Blockbuster today, we learn some life-changing truths about what it takes to step out in faith...

1. Encounters with God lead us to step out  
Genesis 12:1, 15:1-3
2. God encounters are God-sized  
Genesis 12:2-3, 15:4-5
3. How we respond reveals what we believe  
Genesis 12:4-6, 15:6
4. Faith requires trust, courage, and action  
Genesis 12:7-8, 15:9-18; Hebrews 11:6

*What are you trusting God to do,  
so that when He does it,  
He alone gets all the glory?*

**Big Idea of this Blockbuster:  
Faith is what God longs for in us!**
