Blockbusters:
Starting Over, Genesis 6-9

A unique blockbuster has been the introduction of video games to our culture. Played on TV's or computers, these games all have one common feature. When you mess up, you can start over with the click of a button. I think that is what makes them so appealing. Every other time you play a game – it's over when it's over. But these games allow you to go back and replay them again and again. Don't you wish life was that way? When things get too messy or mixed up, you could just click the replay button and start over. But it seems like in life you just get one chance… or do you? With God there is hope, and that means another chance! In our blockbuster today, we find out how to start over when it seems like our "game" is over.

From this blockbuster, we learn three life-changing truths…

1. God's grace is our starting place vs. 6:8-9

   He initiates the contact!

2. God remembers us vs. 8:1

   He will not forget you!

3. God makes a covenant with us vs. 9:11-13

   He is able and will keep His promise!

Big Idea: God wants us to start over… with Him!
