

My Resurrection Response – Logic and Love

Luke 23:32-43 Matthew 5:3

Today we celebrate that Jesus is alive!

To help us understand the magnitude of
what His resurrection means for our lives today,
let's investigate what happened just before He died...

When we meet Jesus Christ
we are faced with an opportunity to respond to Him.
From our passage today, we see only two possible
responses to Jesus Christ – Reception or Rejection.

Which one best describes you and me?

- Jesus tells us things **are not** as they appear.
- Being **desperate** is a good thing.
- The thieves show us **ourselves**.
- Logic can **convince** you... but **not always**.
- Love **changes** you and gives you a **new life**.

Will you receive Him or reject Him?

The decision will impact you forever!
