Live the Adventure

"Fill the jars with water…"
John 2:1-11

In today's text, we read of the
first public miracle Jesus performed.
Of all the things He could do to show us who He is…
He chooses a rather insignificant event to inaugurate
His public ministry. What was He conveying?
What meaning can we draw from this miracle?
How can we apply it to our lives today?
Great questions worth pondering
as we follow Jesus today on this adventure.
Let's listen to what Jesus says and then follow Him…
