

What Every American Should Know!

Pastor Bill Stevens

November 7, 2010

- 1) We should know God personally.
- 2) We should know God's Word.
- 3) We should know God's love.
- 4) We should know God's promises.
- 5) We should know God's warnings.

God's amazing grace has been over-extended to this great land we call America, but we have turned from this true and living God to a self-pleasing spirit. We are troubled on every side, and we are like a ship that is about to go under.

Our nation is sin-sick and silly. America must repent of our sins and rebuild the spiritual walls of our nation ... NOW! Because:

*"There is a time, I know not when
a place, I know not where,
Which marks the destiny of men
to heaven or despair.*

*There is a line by us not seen
which crosses every path;
The hidden boundary between
God's patience and His wrath."*

May today's message compel us to repent and rededicate ourselves to God, making Jesus the Lord over our lives and in governing of our affairs.

As sin-sick as our nation is, God has made a promise, and God had been patiently waiting for us to call upon Him as recorded in 2 Chronicles 7:14:

**"If My people, which are called by My name,
shall humble themselves, and pray, and seek My face,
and turn from their wicked ways: then will I hear from heaven,
and will forgive their sin, and will heal their land."**
