Live the Adventure

"All authority … has been given to Me."
Matthew 28:16-20

As Jesus was preparing to return to heaven, after He had completed His assignment here on earth, He spoke with His followers. He wanted them to understand their assignment. We are familiar with that assignment, because it has been assigned to us too. But we will never be able to fulfill that assignment, unless we first pay attention to what He made clear *before* He gave us the assignment. Understanding this truth is essential to completing the Adventure!

AdventureTruth: He has authority over me!

In order for this to take effect, I must:

Surrender to His authority completely. verse 18
Philippians 2:9-11, Philippians 3:8

Submit to His authority continually. verse 20
2 Corinthians 10:5, Jeremiah 29:11

Which statement best describes where I'm at?
