# Live the Adventure

## "Come to Me . . ."

## Matthew 11:28-30

*In our text, Jesus issues a statement … arguably the most profound statement He makes in all the Gospel accounts. He addresses a universal dilemma every person faces:"Can I get the 'good life' and still become a good person?" And for believers: "Can I get the 'good life' while following Him?" His solution to this dilemma reveals a truth that is essential to completing the Adventure!*

**AdventureTruth: He is calling me!**

To get the truly "good life" while following Him, I must:

Encounter disappointment. verse 28

Embrace His offer. verses 29-30

"Come to Me … Take My yoke … Learn from Me …"

**When I respond to His call and follow Him . . .**

**I am Living the Adventure!**

**And it is the truly GOOD LIFE!**

**So let's keep sharing it with others!**
