

LOOKING FOR CONNECTION?

18.24 is a community of people looking for spiritual truth with significant, life transforming experiences. We aren't perfect people, but we do seek the perfect One who knows truth, is Truth. It's a great place to walk the journey of faith. A safe place to stumble at times. A healing place to remove the stain of the past. Through interactive study, playful fun and genuine relationships, we seek to find the answers to the most basic of life's questions: why am I here? what am I made for? what is my purpose in life? If there is a God, what does he want of me? what is most important in life?

WHAT'S MOST IMPORTANT IN LIFE?

COMMUNITY

com·mu·ni·ty—a group of men or women leading a common life according to a rule.

Without community we become isolated, alone, despairing. With community we learn the beauty of others, experience the fullness of life and learn the rule of life—what it means to be “other-centered”. 18.24 is a community of men and women sharing the common life of Christ, learning the governing rule of life: love Jesus and love others. We invite you to become a part of our community...

COMMUNION

com·mun·ion—interchange or sharing of thoughts or emotions; intimate communication.

Community means nothing unless there is *communion*. In communion we share life, exchange ideas, celebrate when we succeed and

support each other when we fail. But this type of communion goes beyond just human exchange. The best communion of all is that we engage in with the Creator. When the prayers of the community mingle with the Father of Heaven and Earth and we receive from Him what each so desperately needs. Peace. Joy. Faith. Love. Mission...

COMMISSION

com·mis·sion—a task or matter committed to one's charge; official assignment.

This community and communion have not been given just for us. It has been given so we will share it with others and invite them into that beautiful community, to share in the heavenly communion. That's our mission, our commission. Our Father has left clear instructions: Go. Tell. Teach. Baptize. Share what you have with others. Have them join us in God's Great Commission!
