"I Never Thought I would See the Day"  
 Culture at a Crossroads

**Pete Kendrick**  
 Simpson Center Gym  
 Starts January 29th

The moral foundations of our world have shifted. We see the signs: in marriage becoming obsolete, the Bible being marginalized, spiritual warfare intensifying, an ancient nation

intimidating, America turning its back on Israel, Atheists virulently attacking religion. Can this downward spiral be reversed? Yes, but only if we all, one person at a time, return to God with our heart, our manner of life, our dedication to genuine worship, in serving others, in our giving, and in prayer.

Prayer Room  
 Room B-5

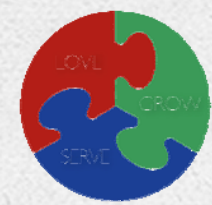

Come and spend time praying with others for the ministries of North-Mar. Stay and pray for 5 or 50 minutes during both of our services.
