

What is God Up to at NMC?

Matthew 24:14

When you see the Lord at work around you, it's important to remember that He is *always* at work and *has been* working for a long time. As a church we are part of a movement called the Christian and Missionary Alliance (C&MA) that the Lord has been working through for well over a 125 years. Often throughout that history, His power and presence have been visibly seen and felt, just as we experienced in recent days.

There is a reason for this. You see, the Lord is fulfilling His mission! And He wants you to be part of it! That's right - we are privileged to be invited to join Him in His work. You don't want to miss out on this opportunity! Today as we consider the history of the Lord's Hand in creating this movement called the C&MA, look for new ways He may want to be at work now... through you!

Challenge to join the Lord in accomplishing His mission:

- Talk with the Lord 10 minutes this week about His work throughout the world, focusing on international missions (visit www.cmalliance.org and www.joshuaproject.net)
- Trust the Lord to provide you with an extra \$10 that you can then give right back to Him as a missions offering
- Take 10 minutes to familiarize yourself with our missionaries, understanding how to partner with them better (sign up to receive a missionary prayer letter at the Welcome Center)
- Tell the Lord you are ready for slow pitches, divine "collisions" and then look expectantly for opportunities to talk about Jesus

North-Mar Family,

the Lord has soaked us with His presence...

Let's all get in the game with Him!
