LIFE2010

JULY 6-11

Louisville, KY

A conference designed
for high school students
that only happens once
every three years...
So Don't Miss It!

What is LIFE?

Imagine thousands of students authentically experiencing God and being inspired to expand His Kingdom. Imagine worshipping and growing closer to God with thousands of high school students in one location. Imagine connecting with new friends, serving together and helping church plants. Imagine tons of seminars and workshops, awesome concerts and incredible experiences. LIFE occurs ever three years and has a track record of reaching students at different levels of spiritual interest. That's what LIFE is all about

When is LIFE?

July 6-11, 2010. We'll be leaving on the 6th in the morning. On the 11th, we'll spend the day at Six Flags Kentucky Kingdom and then return late to North-Mar that night.

Where is LIFE?

LIFE 2010 is in Louisville, Kentucky. The actual conference will be held at the Kentucky Exposition Center. We'll be staying at either the Crown Plaza or the Courtyard by Marriott. Both of these hotels are located within a few blocks of the conference site (once registration is complete and our group is established, we'll then reserve rooms at a hotel).

Who can go to LIFE?

LIFE is for current 8th graders and students who are currently in high school.

How much does LIFE cost?

\$650 (includes transportation, hotel, seminars, all activities, most meals, and a day at Six Flags Kentucky Kingdom) **In February, those students who have registered will be notified of fundraising opportunities.** We want to do everything possible to help provide opportunities which will keep the cost of this trip down. Students will be given simple opportunities to raise money for their own trip. Those student's who fail to participate in fundraising, will not earn money towards the cost of their trip.

Service Projects:

You have the opportunity to participate in several service projects throughout the week in Louisville. The purpose is to take our eyes off of ourselves and engage a city that has great need. There are numerous service projects that students will be participating in. If you want to participate in a service project, please mark on your Registration Form. There is a \$25.00 additional cost to participate in service projects (this covers transportation and supplies).
