

Proverbs 12:18

An ancient proverb says,
"Reckless words pierce like a sword,
but the tongue of the wise bring healing."
(Proverbs 12: 18)

The words we use – along with the attitudes and actions behind them – have the power to build up and speak life into our mate... and to tear down and destroy those closest to us.

Join us at this year's Marriage Retreat as we discuss the Truth behind the strength and influence our words have with our spouse.
