

Blockbusters: Devastation and God's Design Exodus 7-11

When things go wrong, people tend to blame God. When things go right, people tend to thank themselves. As believers, we know to thank God when things go right... but how do we respond when times are tough? Do we blame God, too? What is He up to in the midst of hard times? What does He want us to learn? How does devastation in our lives affect our perception of God? What is God's design when devastation occurs?

In this blockbuster we discover some life-changing truths about who God really is. Pharaoh learned these the hard way, so we could benefit from his example...of what not to do!

1. Don't remain blind to the Lord's presence

Plagues 1-3 designed for Pharaoh to see the Lord

"By this you will know that I am the Lord" Exodus 7:17

Do I see the Lord around me?

2. Don't shrug off the Lord's Hand on your life

Plagues 4 - 6 designed for Pharaoh to realize God's protection and guidance.

"That you will know that I, the Lord, am in this land" Exodus 8:22

Do I realize the Lord's Hand is on my life?

3. Don't get confused about who is in charge

Plagues 7-10 designed for Pharaoh to understand God's incredible power.

"So you may know that there is no one like Me in all the earth"
Exodus 9:14

Do I understand what the Lord can do with me?

Big Idea: God is really in control... so I better trust Him!
