

## **Blockbusters: Passover and Passion Exodus 12**

The plight of God's chosen people – the children of Israel – has been of international significance from Bible times till now. Just watch the news and you will hear Israel mentioned continually. The people of God – both Israel and the Church – are under constant threat, but the Lord is good! He provided for the children of Israel through the Passover, and He provided for us through the Passion of Christ, our Savior. What are the similarities between the lambs of the Passover and the Lamb of God?

In our blockbuster we see parallels between those lambs and The Lamb. These parallels become life-changing truths as we understand and apply them...

Parallels between the lambs of Passover and the Lamb of God:

1. A perfect lamb is needed v. 5
2. The lamb is to be slaughtered at twilight v. 6
3. The blood is to be applied to the house v. 7
4. The body of the lamb is to be eaten v. 8, 11
5. You are protected from condemnation and you are free v. 12-13
6. We are to remember this day v. 14

*Big Idea:*  
God makes a way of escape...  
His name is Jesus...  
will we take it?
