

JOY IN THE JOURNEY:
THE SECRET TO CONTENTMENT

Philippians 4:10-23

Why is being content such a hard thing? What does it take to be content? And how can you be content when you really don't like your circumstances? Does contentment exist only in fairy tales or is it a real possibility in each of our lives?

The Apostle Paul learned the secret to contentment and as he concludes his letter to the Philippians, he shares it with us.

The secret is that every Christian has three resources that can keep us content, and keep us joyful no matter where our journey takes us...

Three resources that can keep us content:

1. Overruling Providence of God *(verses 10-11)*
 "Through Christ, I can _____ all things"
2. Unfailing Power of God *(verses 12-13)*
 "Through Christ, I can _____ all things"
3. Unchanging Promise of God *(verses 14-23)*
 "Through Christ, I _____ all things"

Will you implement these resources?

***Christ is sufficient
and as you trust Him...***

***contentment will accompany you
and He will provide you with joy in the journey...***
