

Our Great Savior

Psalm 13

Whatever the difficult situations we come across in our journey on earth,
or the many disappointments we may stumble upon in life,
there is one truth that for the grace of God, remains perpetually:
There is no disappointment with God.

Feels let down by God:

He is disappointed with “God’s slowness.”

Wrestles with his thoughts:

Sorrow makes him feel defeated.

Sees life **in a distorted way**:

Life has been darkened/affected by sorrow. He felt ignored by God,
and thoughts of death were knocking at the door of his mind.

Cares too much **what people think about him**:

God’s opinion about him becomes irrelevant, self-centeredness is everything.

Includes God in the picture:

Wait a minute... I trust in God’s unfailing love.

Remembers how God has been good **to him**:

He understands again that there is no disappointment with God.
