

My Sanctification Story: The Cost

Luke 9:23-24

Each of us as believers has a story.

A story of how the Lord has worked in us to draw us to Himself.

Although each person is unique, the manner in which the Lord works is consistent.

He first saves us and then He sanctifies us.

In both instances, He is the One transforming us,

yet we still need to respond and follow Him.

Let me tell you part of my story...

Salvation establishes my position with Father God.

(I John 3:1; 4:14-15; 5:11,12)

Sanctification is the process of me becoming more like Jesus Christ.

(Philippians 2:1, 5,12-13; 3:12)

Commitment precedes my sanctification.

(Luke 9:23-24)

Filling with the Holy Spirit promotes my sanctification.

(Ephesians 5:18b; Romans 6:11, 12:1-2; John 15:5)

Are you ready to make the commitment?

Why not decide today?

When you give up your life for Christ, you get it back!

If you try to keep your life for yourself, you lose it!

Let Him have your life, your whole life, and start living!
