

# My Sanctification Story

Me Dying and Jesus Living...  
the ART of TRANSFORMATION

*The Bible is so clear that God desires to sanctify us, to set us apart for His purposes. God wants to make us unique, different, peculiar and of course, holy. There is so much more to life than the routine, rather we were designed to be sanctified, to be closely identified with the person of Jesus Christ, and live our lives in a passionate pursuit of His life and His priorities.*

*Sanctification is not just recommended for the Christ-follower rather it is the will of God that the believer be sanctified (check out 1 Thessalonians 4:3). Since I (Paul) placed my faith and trust in Jesus, He (Jesus) has hammered, chipped, and chiseled away at the rough spots in my life, making me more like Him.*
